## Teacher CPD opportunities

### UK Disability Inclusion Training and workshops

This is an excellent introductory workshop into disability sport in Scotland. This course provides delegates with the following opportunities:

- To recognise and influence how perceptions and experience have on interactions and our expectations of others;
- Identify appropriate disability-specific terminology, etiquette and communication;
- Articulate the principles of current legislation and know who to contact for further information;
- Outline the barriers which may need to be challenged in order to create opportunity;
- Identify the participation opportunities within disability sport;
- Recognise how to influence (even change) practices and facilitate inclusion.
